## Creating order

The screenshot shows a web browser window with the URL `localhost:7231/Orders/Create`. The page title is "Create Order". The form contains the following fields:

- OrderId (text input)
- CustomerId (text input)
- OrderDate (date input, format: mm/dd/yyyy --:-- --)
- TotalAmount (text input, format: mm/dd/yyyy)
- Status (text input)
- ProductId (text input)

Below the form are two buttons: "Create" (blue) and "Back to List" (blue link). A small inset window shows a preview of the "Orders" table. A "Snipping Tool" window is open in the bottom right corner, displaying the message: "Screenshot copied to clipboard. Automatically saved to screenshots folder. Markup and share". The Windows taskbar at the bottom shows the date and time as 5:33 PM on 8/29/2025.
